

ST. PAUL'S COLLEGE

SDG Action and Awareness Newsletter (Spring, 2024)

St. Paul's College (SPC) "Sustainable Development School with Community Award"

INTERVIEW BY AM730 (JUNE 2023)

SUSTAINABILITY IN SPC

Sustainability at St. Paul's College

Welcome to the Sustainability webpage of SPC. Here you'll find information about how we are contributing to a more sustainable future. With the aim of being a leading school in sustainability in Hong Kong, we have pledged to play a pivotal role in confronting the challenges of global sustainability through environmental stewardship.

Our sustainability strategy

Our Sustainability Strategy guides our commitment to building a sustainable campus, and integrating Education for Sustainable Development (ESD) into our curriculum so that the SPC community can take actions for contributing to the 17 United Nations (UN) Sustainable Development Goals (SDGs).

SUSTAINABILITY UPDATES ON SPC WEBPAGE

PRIZES PRESENTED BY EEB FOR 2022-2023

Sustainable Development School (2022-2023) Awarded by Environment and Ecology Bureau (EEB)

2nd Runner-up in Sustainable Development Community School Award

- * 10 Sustainable Development Student Ambassadors were awarded in the "Sustainable Development School (2022-2023)" on 20 April 2024
- * 3 of them were awarded as the Sustainable Development Student Ambassador Leaders
- * Certificate of Appreciation for "Plastic-Free" School Campaign
- * SPC was also honorable to have the exclusive opportunity to visit to Xue Long for this outstanding achievement in promoting SDGs on 11 April 2024.

SDG ACTION AND AWARENESS MONTH HIGHLIGHTS

FROM SCHOOL TO COMMUNITY IN 2023 - 2024:

1. Recycling Booth

A Kahoot Game tested recycling knowledge, and a DIY Workshop repurposed coffee grounds.

2. Mental Well-being Booth

The Comment Wall & Zentangle allowed participants to share worries and goals while expressing themselves through Zentangle.

4. Ethnic Minorities Booth

Participants savored Vietnamese coffee and Thai tea, immersing themselves in cultural flavors.

3. Energy Saving Booth

The Shoot-off for Efficiency game taught energy-saving facts through a competitive shooting game.

5. Vintage Market

A treasure trove of books where participants set their own prices!

SUSTAINABILITY IN **SPC**

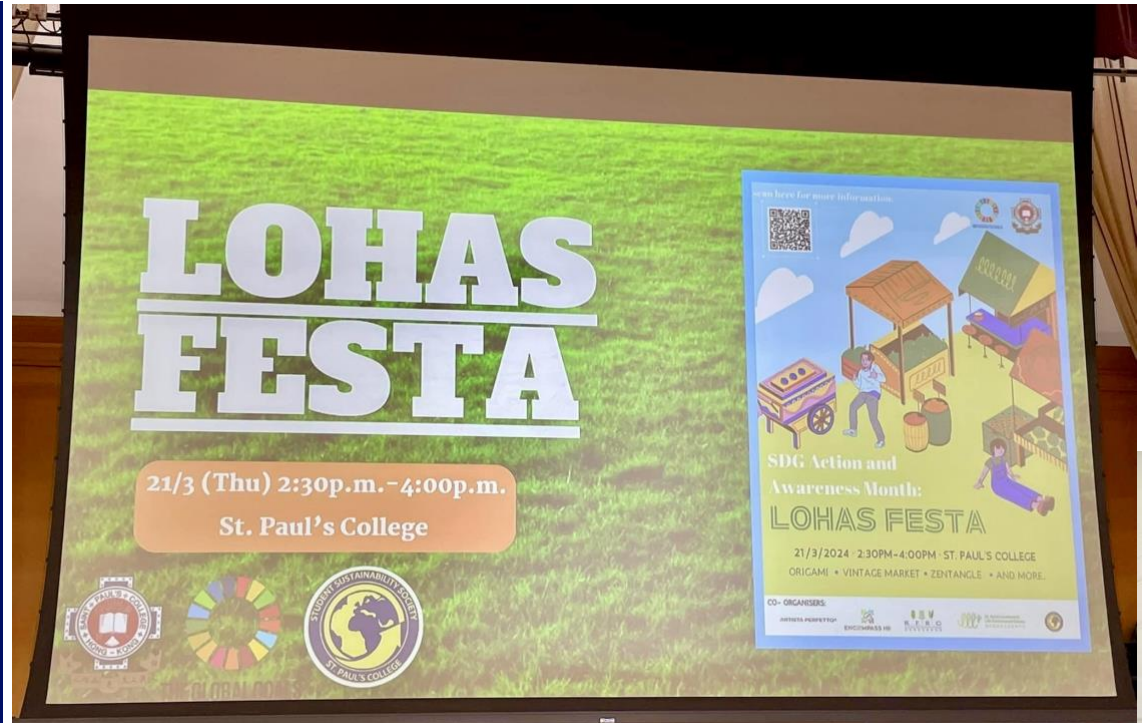

The first-ever LOHAS Festa on March 21st, an extension of the SPC SDG Challenges in March 2024, was an incredible event. Here are the highlights:

LOHAS **LIFESTYLE** **OF** **HEALTH** **AND** **SUSTAINABILITY**

Signature Community Programmes:

- 1 Kick-off Event - Parent-child Creative Plot-plant Workshop by Kadoorie Farm & Botanical Garden: Parents explored the joy of gardening and creativity with their children.
- 2 Origami Paper Folding Craft Workshop by Father Amos from St John's Cathedral Life Enrichment Center: Participants learned the art of origami and enjoyed a mindful experience.
- 3 Upcycled Folder Workshop by Encompass HK: Creative solutions turned old folders into beautiful new ones.
- We thank St John's Cathedral Life Enrichment Center, Kadoorie Farm Botanical Garden, Encompass HK, and Artista Perfetto for their support. We're thrilled to have St. Clare's Girls' School, The Chinese Foundation Secondary School, and St. Francis Canossian College join us!
